map to stratford

Some of Justin's favourite places and important landmarks in the town where he grew up.

Madelyn's Diner
One of Justin's - and his mom's - favourite places for family dinners or school-day breakfast.

Hiwanis Community Centre

This is where Justin placed 3rd in the Stratford Idol competition - he was only 12!

5 City Hall
This is where Justin performed his first ever recorded song! And the steps make for some great photo ops!

Justin's Stratford

- Avon Theatre**
99 Downie Street - These front steps are where Justin used to busk (as seen on YouTube.) He earned \$150-\$200 per day during the tourism season and saved enough to take his mom to Disneyworld.
- Stratford Youth Centre**
165 Downie Street - The Stratford Youth Centre is the host of the famous Stratford Star contest where Justin performed - the videos can be seen on YouTube @ StratfordYouthCentre. After Stratford Star, Justin became a regular fixture at the centre honing his singing and performing with his favourite centre activity: karaoke.
On Romeo St just down from Douro St.
- Stratford Perth YMCA**
204 Downie Street - You've seen his moves on the basketball court and this was one of Justin's most frequented courts in Stratford. Justin has spent hours here working out and playing basketball with his friends.
- Stratford Skate Park**
East side of Downie Street just past the YMCA/ St. Patrick Street. This is where Justin hung out with his friends and worked on his boarding skills.
- City Hall**
1 Wellington Street - Justin performed his first ever recorded song here at a CD release concert for a locally-made CD - Set A Place At Your Table III - to support the House of Blessing Food Bank.
- Long & McQuade**
36 Ontario Street - Friends tell us that this is Justin's favourite Stratford music store which makes a lot of sense for someone who plays four instruments: drums, guitar, piano and trumpet.
- The Pour House (formerly Sid's Pub)**
92 Downie Street - Where Justin and his friends played pool - conveniently located across from his favourite busking spot and down the street from the skate park.
- Jeanne Sauve Catholic School***
8 Grange Street - Justin attended elementary grades at this French immersion school.
- Hiwanis Community Centre**
111 Lakeside Drive - Location of the singing competition Justin entered at age 12. He placed 3rd in Stratford Idol without any formal voice training.
- Stratford Northwestern Public School***
(a grade 7 & 8 school) 428 Forman Avenue - This school is where Justin's favourite teachers were Miss Booker and Mr. Monteith.
- Stratford Northwestern Secondary School***
(a grade 9 - 12 school) 428 Forman Avenue - This is the last school Justin attended prior to relocating to Atlanta for his record label. Many of Justin's friends that you have gotten to know on social media still attend this school as well as the two other secondary schools in Stratford.
- Subway**
548 Huron Street - A popular lunch spot for local high school students, Justin names this as his favourite fast food restaurant.
- Madelyn's Diner**
377 Huron Street - Justin's mom's favourite Stratford restaurant was a popular spot for family meals out. Also a favourite spot for Northwestern students to have breakfast. Justin's favourite dish is spaghetti though!
- Scoopers**
28 Erie Street - Like lots of kids in Stratford, Justin hung out at Scoopers for ice cream after his soccer games.
- Features**
159 Ontario Street - Justin's favourite spot for breakfast. Wonder if he could finish a Paul Bunyan? (A Paul Bunyan is a humungous platter of eggs, bacon, french toast, pancakes AND potatoes.)
- William Allman Memorial Arena**
25 Morenz Drive - The travel hockey team that Justin played for, the Stratford Warriors, held their games in this historic building. You may recognize it from Hockey Day in Canada 2010.
- Rotary Arena**
20 Glastonbury Drive - This once popular hockey spot (Stratford has a brand new Rotary Complex now) was where Justin played Rotary house-league hockey.
- Ecole Bedford Public School***
59 Bedford Drive - Justin attended this dual-track French immersion and English programme school for three years as a Bedford Bulldog. This is where he met and went to school with his best friend before they headed off to SNWSS. One of Bedford's school colours happens to be Justin's favourite..... PURPLE!
- Swiss Chalet**
684 Ontario Street - When asked in a Rolling Stone video interview what restaurant he would most like to fly to at a moment's notice, the singer responded: "I would fly to Canada and eat at Swiss Chalet and get their quarter chicken dinner. It's so good." And lucky for us, Justin and his family have frequented this location on a number of occasions.
- Festival Marketplace**
1067 Ontario Street - One of Justin's favourite hang-outs.
- Hing's Buffet**
1010 Ontario Street - Location of Justin's first date but all was not blissful as he spilled spaghetti and meatballs all over himself and the pair did not date again.
- 107.7 MIX FM Radio**
376 Romeo Street South - Stratford's only FM radio station 107.7 MIX FM was the first to play Justin's music - even before he hit the music charts. And the on-air personalities are often asked to be judges at the annual Stratford Star competition and local Battle of the Band competitions.
- Cooper Standard Soccer Fields**
Packham Road - When Justin played for the travel soccer team - the Stratford Strikers - he played on these fields with his team.
- Boston Pizza**
729 Erie Street - Justin frequents Boston Pizza on his visits back to Stratford and enjoys hanging out with his friends here, as well as signing autographs and chatting with fans.
