

Bieber-iffic!

map to Stratford

Some of Justin's favourite places and important landmarks in the town where he grew up.

Rotary Arena

Justin is one sporty guy! He played house-league hockey at this arena, travel hockey at another arena (#13) PLUS he played on the travel soccer team! (#16)

City Hall

This is where Justin performed his first ever recorded song! And the steps make for some great photo ops!

Justin's Stratford

1. Avon Theatre

99 Downie Street - These front steps are where Justin used to busk (as seen on YouTube.) He earned \$150-\$200 per day during the tourism season and saved enough to take his mom to Disneyworld.

2. Stratford Skate Park

East side of Downie Street just past the YMCA/ St. Patrick Street. This is where Justin hung out with his friends and worked on his boarding skills.

3. Jeanne Sauve Catholic School

8 Grange Street - Justin attended elementary grades at this French immersion school.

4. Hiwanis Community Centre

111 Lakeside Drive - Location of the singing competition Justin entered at age 12. He placed 3rd in Stratford Idol without any formal voice training.

5. Justin's Favourite Music Store

36 Ontario Street - Friends tell us that this is Justin's favourite Stratford music store which makes a lot of sense for someone who plays four instruments: drums, guitar, piano and trumpet.

6. Stratford Northwestern Public School

(a grade 7 & 8 school) 428 Forman Avenue - This school is where Justin's favourite teachers were Miss Booker and Mr. Monteith.

7. Stratford Northwestern Secondary School

(a grade 9 - 12 school) 428 Forman Avenue - This is the last school Justin attended prior to relocating to Atlanta for his record label. Many of Justin's friends that you have gotten to know on social media still attend this school as well as the two other secondary schools in Stratford.

8. The Pour Houre (formerly Sid's Pub)

92 Downie Street - Where Justin and his friends played pool - conveniently located across from his favourite busking spot and down the street from the skate park.

9. Madelyn's Diner

377 Huron Street - Justin's mom's favourite Stratford restaurant was a popular spot for family meals out. Also a favourite spot for Northwestern students to have breakfast. Justin's favourite dish is spaghetti though!

10. City Hall

1 Wellington Street - Justin performed his first ever recorded song here at a CD release concert for a locally-made CD - Set A Place At Your Table III - to support the House of Blessing Food Bank.

11. Scoopers

28 Erie Street - Like lots of kids in Stratford, Justin hung out at Scoopers for ice cream after his soccer games.

12. Features

159 Ontario Street - Justin's favourite spot for breakfast. Wonder if he could finish a Paul Bunyan? (A Paul Bunyan is a humungous platter of eggs, bacon, french toast, pancakes AND potatoes.)

13. William Allman Memorial Arena

25 Morenz Drive - The travel hockey team that Justin played for held their games in this historic building. You may recognize it from Hockey Day in Canada 2010.

14. Rotary Arena

20 Glastonbury Drive - This once popular hockey spot (Stratford has a brand new Rotary Complex now) was where Justin played Rotary house-league hockey.

15. Festival Marketplace

1067 Ontario Street - One of Justin's favourite hang-outs - makes sense since there is a music store.

16. Cooper Standard Soccer Fields

Packham Road - When Justin played for the travel soccer team - the Stratford Strikers - he played on these fields with his team.

17. King's Buffet

1010 Ontario Street - Location of Justin's first date but all was not blissful as he spilled spaghetti and meatballs all over himself and the pair did not date again.

18. Subway

548 Huron Street - A popular lunch spot for local high school students. Justin names this as his favourite fast food restaurant.
